

Centerville Band Boosters
500 E Franklin Street
Centerville, OH 45459

Dear Community Member:

Please consider supporting the Centerville Bands by advertising with us in 2018!

Your generous support allows the Centerville Band Boosters to provide students with many educational and performance opportunities throughout the year on a highly competitive local and national level. In addition to the nationally known Centerville Jazz Band (our competitive Marching Band), over 700 students in grades 6-12 participate in other groups ranging from Concert Bands to Winter Drumline, and Jazz Ensembles to Winter Color Guard. Your support makes a huge difference!

Please see the attached information or contact the Centerville Band Boosters for further details on our new corporate sponsorship program. We have sponsorship options ranging from a \$30 calendar ad to a \$2000 yearlong corporate sponsorship. Below you will find some basic information on the major events we hold every year.

- **Centerville Schools Wall Calendars** – We design, print, and sell about **3,000** school calendars, which include major school events (sports, music, theater, testing, etc.), photographs from student life and activities, as well as advertising from our community partners. These high quality, professionally designed calendars will then be sold by our band members in July 2018 throughout Centerville and Washington Township. Many Centerville families count on our calendar every year to help keep up with school events!
- **Soaring Sounds** - On July 30, 2018 the Centerville Band Boosters are proud to present the 39th annual Soaring Sounds Drum Corps Competition at Centerville High School Stadium. We are one of the longest running shows of its kind in the country and have been a Drum Corps International (DCI) tradition since 1980! DCI is known as “*Marching Music’s Major League*” and our show features World Class corps made up primarily of college age members. We draw a diverse group of spectators from all over the Miami Valley, **with a history of healthy crowds of 4,000 fans.**
- **Centerville Invitational** - In October the Centerville Band Boosters are proud to present our annual Centerville Invitational Band Competition at Centerville High School Stadium. Our great Centerville Community plays host to some of the finest area high school marching bands who will perform in an entertaining and competitively-judged show format. Over 2000 students plus their families and boosters will take part.

If you would like to see an example of the calendar or a program ad from last year or if you have any questions, please reach out to us and we will be happy to talk with you and share more details about the band program and our sponsorship options.

Thanks again for your consideration!

Nick and Angie Boerger
