

Annual Giving Campaign

This has been an exciting decade for the Centerville Band! In 2015, we announced that the Centerville City Schools, Centerville High School, and Centerville Band Boosters were collaborating to put much needed new instruments in the hands of our students – which we can proudly say has been accomplished! (The CBB alone provided almost \$45,000 directly towards new instruments in 2015/16!) Centerville City Schools was also fortunate to be selected for the Conn-Selmer School Partnership Program, which continues to increase access and equity for instrumental music education nationwide and around the globe.

In order to offer our over 550 student musicians the same high-level of instruction we have come to expect, we are kicking off this year's **Annual Giving Campaign**. This program will continue to raise funds to properly maintain the equipment we own as well as enable us to purchase new instruments and equipment as needed.

Since 2015, due to YOUR generosity, we have raised over **\$20,000** for instruments and hope to continue to grow this number. **DONATE \$50 OR MORE AND RECEIVE A LIMITED EDITION CAR MAGNET!**

Thank you for your support of the Centerville Band Program!
